To love JESUS

SMALL GROUPS BEING OFFERED:

***The Quest by Beth Moore.** Ladies Bible Study at Laurie Vanderwoude's home. Begins October 9th.

***Speak - Sean McDowell** - Jesus claimed to be the way, the truth, and the life, and He claimed that eternal life was only through Him. Are these statements truth or just an illegitimate claim to deity? In our post-truth world, there are few things more important than understanding truth and the having the ability to communicate truth with love and humility. But any conversation about truth must also include understanding how to communicate it with gentleness and respect. This study will examine truth, how we discover it, communicate it, and whether or not it is absolute. Led by Pastor Andrew.

Intentional Parenting- 10 ways to be an Exceptional Parent in a Quick Fix World. Every parent has dreams for their children and a hope filled with the best of intentions. Although, at some point, parents move from DREAMS to DUCT TAPE and simply hope that everything will just stay stuck together and their kids won't fall apart. Raising kids is a difficult challenge and it requires a plan—without a plan, parents often default to what we call “Quick-Fix Parenting.” To be an exceptional parent, you need to be an intentional parent. Fortunately, help is available by veteran parents and best-selling authors, Doug and Cathy Fields—they want to help you move from Quick-Fix Parenting to Intentional Parenting. Led by Pastor Dave

Please sign up for the small groups on the sign up sheets in the Foyer
