**\*Speak - Sean McDowell** - Jesus claimed to be the way,  
 the truth, and the life, and He claimed that eternal life was  
 only through Him. Are these statements truth or just an  
 illegitimate claim to deity? In our post-truth world, there  
 are few things more important than understanding truth  
 and the having the ability to communicate truth with love  
 and humility. But any conversation about truth must also  
 include understanding how to communicate it with  
 gentleness and respect. This study will examine truth, how  
 we discover it, communicate it, and whether or not it is  
 absolute. Led by Pastor Andrew.

**Intentional Parenting- 10 ways to be an Exceptional  
 Parent in a Quick Fix World.** Every parent has dreams  
 for their children and a hope filled with the best of  
 intentions. Although, at some point, parents move from  
 DREAMS to DUCT TAPE and simply hope that  
 everything will just stay stuck together and their kids won't  
 fall apart. Raising kids is a difficult challenge and it requires  
 a plan—without a plan, parents often default to what we  
 call "Quick-Fix Parenting." To be an exceptional parent,  
 you need to be an intentional parent. Fortunately, help is  
 available by veteran parents and best-selling authors, Doug  
 and Cathy Fields—they want to help you move from  
 Quick-Fix Parenting to Intentional Parenting.
