Doctrinal Question of the Week:

What is idolatry?

Answer:

Idolatry is trusting in created things rather than the Creator for our hope and happiness, significance and security.

Supporting Scripture:

"For although they knew God, they did not honor him as God or give thanks to him, but they became futile in their thinking, and their foolish hearts were darkened. . . . They exchanged the truth about God for a lie and worshiped and served the creature rather than the Creator."
