cleaning required as well as more ushers needed

- D. Joy Through Sanctification:

Application Questions

1. In the last section Paul talked about Christ's “obedience” (2:8). Paul now calls us to be obedient. Think about how Christ was obedient and think about the issues that Paul has been dealing with so far in Philippians. Summarize what Paul might have in mind when he tells us to “obey”.
2. Paul insists that they should “obey”, or “work out your salvation”, not only in Paul's presence but much more in his absence. Why did Paul have to insist on their obedience in his absence? Why might a group of people be more prone to disobedience when their leadership is away?
3. Paul says that God is at work in the Philippians. How would an understanding of this reality motivate or empower the Philippians to obey even in the absence of their leadership?
4. What does it mean to ‘work out your salvation’ in verse 12?
5. Is salvation dependent upon your works? Why or why not? See Ephesians 2:8-9.
6. What does the Bible say about our attempts to be righteous on our own? Isaiah 64:6
7. What is the proper view of grace and works? How are we saved? What are we saved for? James 2:14-18
8. What is the difference between the idea of ‘work out your salvation’ and ‘work for you salvation’?
9. What would you say to a person who suggests that we are saved by grace and therefore does not need to change how we live (i.e., we can live any way we want)?
