There has been significant damage to the ceiling in the foyer caused by the roof leaking. We have repaired the roof to stop the leaking. Re-stippling of the ceiling will need to be done and pot lights replaced. The Board is seeking the church's feedback on replacing the flooring in the foyer as well, as it was also significantly damaged.

Please contact Pastor David, Pastor Alec, or one of the Board members with your comments.

Happy Anniversary!

Joy Through the Right Example

Philippians: Joyful Living

Philippians 2:1-11

- A. Paul Call for Unity, not Uniformity:
- B. How to Do This:
- C. What were The Results for Christ?
- D. Joy Through the Right Example

Application Questions

1. In Philippians 2:1 Paul begins by mentioning four aspects of the Christian experience, what are they? What do you think these things means?
2. In Philippians 2:2-4 Paul gives the Philippians a number of commands. What are they?

Application Questions

3. Philippians 2:1-4 constitute one big thought. It is a big if-then statement. 'If you have experienced these four things in verse 1, then act this way described in verses 2-4.' Think about the situation of the Philippians. How would experiencing the things mentioned in verses 2:1 empower or help the Philippians to live out Paul's expectation in Philippians 2:2-4?

4. Paul says we are to adopt Christ's mindset toward each other. Skim back over verses 1:27-2:4 – How do we see Christ portrayed in 2:5-11 living out the life Paul has described? (ie. Where do we see Him experiencing the elements of the Christian experience in 2:1? How has Christ fulfilled the commandments in the rest of the passage?)

5. What do we learn about Christ's nature from these verses? How is understanding Christ's nature significant to His example of humility?

6. How does Christ's relationship with the Father influence Christ's wiliness to look out for the interests of others and not just His own? How is this a model for us in our relationship with God?

7. What struggles in life make it difficult to take "the form of a servant"? In the midst of difficulty what are you believing at a heart level that causes you to turn toward self service, rivalry or conceit?

8. What did you see about Christ from this passage that if you experience in the face of difficulty would free you to serve the interests of others?

Who are the people in your life that God is calling you to have one mind with? How are you cultivating this? When you think of your Christian communities, do you view it as being for the sake of advancing the gospel? What would it look like for you to be part of creating communities of people living lives worthy of the gospel?
