This Weeks Memory Verse:
"I tell you, I have not found such

**Changes to our Children's
Church ministry:**
Children will be asked to come to
the front of the church for a short prayer of
blessing by Pastor Dave before going
downstairs to their session. In looking for
ways to keep the children safe after they are
dismissed, and prevent any child from
running outside, our Children's Church will
end just before the last song of our service
and the children will be brought up to the
sanctuary to join their parents.

 We want to be mindful that the
west side of our basement is a
shared space with the Killam
Tiny Tots, and we want to show
God's love by respecting their rental space
and classroom items. Unfortunately there
has been ongoing damage to the Tiny Tots
toys and decorations. As we do not currently
use the Tiny Tots side of our basement for
any of our ministries, **parents are asked to
ensure their children/youth do not go into
this area on Sundays.** Children and Youth are
welcome to use the east side of the
basement after church with their parents
being responsible.

"Faith does not operate in the realm of the
possible. There is no glory for God in that
which is humanly possible. Faith begins
where man's power ends."
-George Muller
